# LET THE GAMES BEGIN

---

International Netball Festival team are excited to welcome all local Interstate and International Teams to the extraordinary Gold Coast International Netball Festival. Our motto is

**COMMUNITY WORDS AND YOU MATTER**

**YOU ARE ABOUT TO EXPERIENCE THE MOST INCREDIBLY POSITIVE VIBE THAT YOU HAVE EVER ENCOUNTERED ON A NETBALL COURT.**

A big thank you to all the tour managers, coaches and team managers in organising your team's participation in this extraordinary Festival.

Over the next few days our expert team will provide a Netball Festival full of fun, laughter, excitement, recreational activities, team bonding, friendships and more.

With three competition days, participants will experience a sporting holiday in the beautiful Gold Coast.

## SPIRIT OF THE GAME

Play by the rules, play fair and  
"in the spirit of the game of Netball".

We at INF enjoy watching good clean contesting of the ball. However rough play will be penalised.

The spirit of the game dictates that players, coaches & spectators acknowledge positive language on and off the court at all times. This will allow a positive outcome.

We encourage players to be good sports and applaud good plays, for your team, the opposition and umpires.

We know you all respect umpires as they are the only way a game can begin and end! Please acknowledge if there are no umpires, there are no games. Take a moment to thank them!

Remember our umpires are human beings and may miss a call from time to time. They will do their best. If the umpires are hassled verbally, their umpiring deteriorates and games can be stopped. Please boost their confidence.

We hope that this will encourage everyone to play in the true spirit of the game.

# COMPETITION RULES

---

Registration: Players must be registered and have paid before THEY TAKE TO THE COURT to play in the International Netball Festival

Players are not permitted to play in more than one team. Once players are registered in a team, they must stay in that team. If there are injuries and one team does not have enough players and wishes to pull a player from another team across the division, we will assess this at the time. See below.

Players are not permitted to play down or across a Division. Once a player has played up for two games they will then be part of this team. They cannot play down again.

Boys (13 years or under) can play in the 13/U Division only. There can only be three (3) boys on the court at any one time in a team—one boy in each third of the court.

Scorecards - will be placed on a clip board in the centre circle on the court for the day. Please replace it back after each game by the winning team.

**Winning team: Scoresheets only are to be returned to the Club by the winning team** - leave the board at the court

A scorer from each team must be supplied. Scorers must stand beside each other on the sideline. Please have teams fill in Umpires award on the scorecard. These are fun awards for umpires as they make the game happen. We like to thank them.

Umpires to sign and fill in points for Team Sportsmanship Award.

Points Table will be on the INF website and facebook.

Finals

All 1,2,3 placing teams' players must sign in at the Control Desk on Finals Day. New players will not be allowed to join a team on the Finals Day.

# COMPETITION RULES

## **Stoppages**

**Blood Policy:** Play shall cease immediately when blood is noticed. The player must leave the court immediately and may be replaced. The injured player may return to the court at the next centre pass if the blood flow has ceased, the wound cleaned and covered. If a shooter or centre is injured, the team may change one other player on the court to take that position. Stoppages are to be kept to a minimum.

**Injuries** There will be 30 seconds for minor injury. The player may be replaced. If a shooter or centre is injured, the team may change one other player on the court to take that position. Stoppages are to be kept to a minimum. They may re-enter the court after the next centre pass off, if they have not been replaced.

**Send off:** If someone has been sent off the court, they have to be off the court for a minimum of 2 minutes. They can go back on the court after 2 minutes, at the next centre pass off.

**Wet Weather** The INF President will make wet weather playing decisions. Games may be played in the rain unless a decision is made to postpone play. Safety is important.

*In the spirit of the game of netball*

# COMPETITION POINTS

Three (3) points for a win, two (2) points for a draw and one (1) point for a loss.

## **Tie in Competition Points**

If there is a tie with competition points at the end of competition, the team's placing in the ladder will be determined by the following, in this order:

1. The result of the game between the 2 teams – if that was a draw then,
2. A count back of goal difference - Goals For vs Goals Against. The team with the biggest goal difference will qualify ahead in the ladder – if this was equal then,
3. Fair play points as awarded by the umpires – if this is equal then,
4. A toss of the coin by the Festival Director with the 2 team captains. (The team who has travelled furthest to the Festival will call the toss)

## **Draw at the End of a Final**

The teams are allowed a 1 minute drinks break at the full time whistle. **NO players can be changed.** There will be three (3) minutes extra time each way. No break. If it is still a draw then it will be first team to reach a two (2) goal lead. **NO change of players, no breaks.**

## COMMUNITY, WORDS AND YOU MATTER

Jane inspires and motivates people sharing her journey of her near fatal, car accident in New Zealand where she was unrecognisable and had to learn to walk again. After many surgeries, Jane realised she had a choice to be a victim LIVE IN PAIN and LOOSE HER DRIVE TO BECOME an ATHLETE AGAIN or to learn how to heal herself. This did not sit right for Jane at the time. Jane had to change her mindset be more positive towards heling and new modalities to overcome anxiety, pain, tiredness and overwhelm to name a few issues to get her life back at 27yr old.

With Jane's easy formula, "**MIND TRICKS 5 KEY STEPS**" Jane and her clients have discovered how to take responsibility of their life to set Goals and create more balance, bliss and productivity = success on and off a court, school and work easily and effortlessly. She will demonstrate to the girls how to believe in themselves dream big and to be the best they can be on and off the court no matter what has happened in your life.

Jane will share at the International Netball Festival Meet and Geet dinner, that by taking responsibility of how players and coaches think, act and what they do, it in turn affects everything and everyone around them. including their team and coach. Also how the umpire responds to you and you to them.

YOUR thoughts, affect moods, situations and behaviours. By using Jane's method, players will work together as a team, and better with coaches or anyone in their life.

Jane's a successful Author, MIND TRICKS Coach, Therapist, Holistic NLP Practitioner and Master Trainer, Spiritual Healer, as well as an International Netball Festival coordinator and Director of two companies, has been an entrepreneur since the age of 14.

In Jane's second book "I Lost My Face", it will be out soon. Jane lives a fit, healthy life with her adoring husband, Nick and four wonderful children, Olliver, Holly, Aimee-Rose and Trent
